Import of pesticides by M/s. Suraksha Chemicals and Engineers

3837. SHRI ALADI ARUNA alias V ARUNACHALAM: Will the Minister of AGRICULTURE be pleased to refer to the reply to Unstarred Question 3263 given in the Rajya Sabha on the 21st August, 1987 and state:

(a) whether the Rgistration Committee of CBI, CIB have verified from Suraksha Chemicals and Engineers before granting provisional registration and allowing of import of 'Fosetyl-AL' 65 M.T. and 'Bi-tertanol' 20 M.T. per annum, that the organisation have received requirements from various State Governments; if so, the names and designation of the State Government authorities/agencies who have placed their requirements for the products named above, State-wise;

(b) how much quantity of products named above have been imported by the company as on date along with CIF price (including customs duty) of individual products and sold to the different State Government departments/agencies and on what rates as on date, Statewise; and

(c) how much more import orders of these products the company has placed and/or in transit?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI YOGENDRA MAKWANA): (a) In the scheme of registration, there is no requirement for submission of the information mentioned in part (a) of the question by the applicants. Hence, there could be no question of Registration Committee verifying the same. However, the Committee, on its own, determined the quantum of import based upon the information available with the Government.

(b) and (c) According to available information, the quantities of the products mentioned in part (a) of the question along with their C&F price are given below:—

Sl. No.	Product	Quantity imported	C & F price
1.	Fosetyl-AL 80% WP.	(i) 10 M.T. (ii) 10 M.T.	FF 75 per Kg. —do—
2.	Biteatanol 25% WP.	5 M.T.	DM 25.75 per Kg.

M/s. Suraksha Chemicals and Engineers, Bombay, were granted provisional registration for the import of 'Fosetyl-AL' 65 MT formulation and 20 MT formulation of 'Bitertanol' by the Registration Committee. Against this, according to the available information, they have imported only 20 MT of 'Fosetyl-AL' 80 per cent WP and 5 MT of 'Bitertanol' 25 per cent WP. Thus, they can import the remaining permissible quantities as and when required.

Promotional Avenues for Stenographers in Pusa Agriculture Research Institute
